Introducing our Executive Director

LCC is pleased to welcome Sherrie Jones as it's new Executive Director. Jones will be responsible for oversight of the organization's fundraising, fiscal, management, program and donor relations activities. As an alumnus of the 2016 LCC class, she brings her experiences with the program as well as her passion for community, service, and leadership.

Sherrie is originally from Yelm, WA where she started her volunteer activities as a cheer and dance coach. With the start of her banking career, she found herself even more involved in her local community; including volunteering as an ambassador with the Thurston County Chamber of Commerce and a member of the Olympia Downtown Association.
