SCHOLARSHIPS This section is optional and is not required to be filled-out for completion of the application. You may choose to skip this section.

Leadership Clark County (LCC) offers two different scholarships to assist individuals with the tuition of the LCC program. In order to be considered for a scholarship award, candidates must meet all regular requirements for acceptance into the program by completing the program application and completing the scholarship application.

Applicants can apply for one or both scholarships. It is important to note that LCC does not typically award full tuition scholarships and the total amount of most scholarship awards range from 20% to 50%. Any scholarships awarded will be calculated on Tier 2 tuition (\$3200) and will be subject to a scholarship agreement.

To request a scholarship, please provide a one-page statement with the following information for each scholarship for which you are applying.

Leadership in Diversity, Equity, and Inclusion: This scholarship exists to encourage and develop future leaders who are passionate about and contributing to the advancement of diversity, equity, inclusion, and the elimination of racism.

- Amount of scholarship(s) requested *(Actual award size will be dependent on available funds and number of qualified applicants each year).*
- Amount you will personally contribute toward tuition
- Amount your employer or another sponsor is contributing toward tuition
- Please provide insight into the steps you have taken to advance diversity, equity, and inclusion personally, professionally, and/or for the community. In your response please share any plans you have for continuing to advance this work in the future.

Financial Assistance: Tuition assistance will be based upon the demonstration of financial need which otherwise would prevent participation in the Leadership Clark County leadership development program.
